CTEL Courses

CTEL courses include a wide array of professional development opportunities for faculty. Register to learn more on the new and upcoming tools, teaching techniques, updates, exploring AI and to complete certification courses for teaching Blended, Online, Flexible and Synchronous live. To locate the full list of course offerings, log into Workday > My Learning > and click on Browse Learning Content.

ACUE

The Association of College & University Educators (ACUE) professional development program supports engaging in research-based teaching techniques. ACUE's courses are rated as engaging and relevant by faculty and staff nationwide and lead to the only nationally recognized Certificate in Effective Teaching Practice Framework, endorsed by the American Council on Education.

Service Learning

The Broward UP commission Service-Learning team is offering an opportunity to become a Service-Learning Project Facilitator. Service-Learning is a teaching and learning method that integrates critical reflection and meaningful service in the community with academic learning, personal growth, and civic responsibility.
